

Seafood Processor Grants

REDROCK LOBSTER PTY LTD

Funding: \$80,000

Start Date: September 2021

End Date: May 2022

Status: UNDER OFFER

Project Overview

- Purchase and installation of cooking infrastructure
- Purchase and installation of blast-freezing or chilling infrastructure
- Refurbishment or upgrades to existing infrastructure
- Diversification of products through new processing technique(s), packaging or promotion(s)

Project Description

- Installation of new live holding tanks, retrofitting them for new markets
- New cooling system installed to chill lobster before they are placed in the blast freezer for the new green frozen market
- Purchase of a tunnel shrink wrap for the green frozen lobster
- Purchase of steamers for cooking lobsters
- Purchase of an ice maker to ice down cooked lobster, as well as to cool whole raw lobster to be blast frozen faster
- Installation of new overhead winches (hoists) to facilitate lobster removal from tanks
- Purchase of new sorting scales that indicate the lobster's size as it comes out of the bins
- Redrock Lobster requires a cooling system and shrink wrapping machine for the green frozen market
- Estimation for electrical upgrade and installation of cooler, icemaker and steamer
